

Coating Tech Slot Dies, LLC
Privacy Policy

Your privacy is important to Coating Tech Slot Dies, LLC (“Coating Tech”). As a result, we’ve developed this Privacy Policy that covers how we collect, use, disclose, transfer, and store your information. Please take a moment to familiarize yourself with our privacy practices and let us know if you have any questions.

A. Introduction

Coating Tech makes reasonable efforts to protect the privacy of your personal information. This Privacy Policy was created to demonstrate our commitment to fair information practices. This Privacy Policy covers Coating Tech’s use of personal information that we collect in the normal course of our business, when you use our website located at www.slotdies.com (the “Site”), and when you otherwise interact with us, including when you attend events hosted or attended by Coating Tech and when you contact us for customer support.

In addition to covering how we collect, use, disclose, transfer, and store your information, this policy also defines the lawful basis for how we process your information, and your related rights. In most cases, the lawful basis will be that the processing: (i) is necessary for our legitimate interests in carrying out our business, including direct marketing, provided those interests are not outweighed by your rights and interests, or (ii) is necessary to perform a contract with you. Where processing is based on your consent, we will identify the processing purposes and provide you with relevant information to make the processing fair and transparent.

Our Site is not intended for anyone under the age of 13, and Coating Tech does not knowingly solicit or collect information from anyone under 13 years of age. If you are a parent or guardian and believe we may have collected information about your child, please contact at _____.

Coating Tech may update this Privacy Policy from time to time. In the event we make any material changes to this Privacy Policy, we will notify you by email and by posting the revised Privacy Policy on the Site. When we update this Privacy Policy we will note the date of its most recent revision below. Any revisions will become effective upon (7) calendar days following the posting on the Site. If you do not agree with the terms of this Privacy Policy or any changed terms, do not provide your Personal Information to us.

B. EU-U.S. Privacy Shield and Swiss-U.S. Privacy Shield

Coating Tech complies with the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of personal information transferred from the European Union and Switzerland to the United States, respectively. Coating Tech has certified to the Department of Commerce that it adheres to the Privacy Shield Principles. If there is any conflict between the terms in this privacy policy and the Privacy Shield Principles, the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification, please visit <https://www.privacyshield.gov/>.

In compliance with the US-EU and Swiss-US Privacy Shield Principles, Coating Tech commits to resolve complaints about your privacy and our collection or use of your personal information. European Union or Swiss individuals with inquiries or complaints regarding this privacy policy should first contact Coating Tech via Section Q below.

Coating Tech has further committed to refer unresolved privacy complaints under the EU-US and Swiss-US Privacy Shield Principles to an independent dispute resolution mechanism, the BBB EU PRIVACY SHIELD, operated by the Council of Better Business Bureaus. If you do not receive timely acknowledgment of your complaint, or if your complaint is not satisfactorily addressed, please visit <http://www.bbb.org/EU-privacy-shield/for-eu-consumers> for more information and to file a complaint.

Under certain conditions, more fully described on the [Privacy Shield website](#), you may invoke binding arbitration when other dispute resolution procedures have been exhausted.

C. Collection of Personal Information

Depending on the context in which you interact with us, Coating Tech may collect or receive the following Personal Information:

- When you request information or to be contacted, or subscribe to email on one of our Site we may collect your name, email address, phone number, company name, state, or country.
- When you attend one of our events, speak with sales representatives, or when you contact customer support, we may collect your name, email, phone number, and company name.
- When you correspond with us via email, we may collect the Personal Information included in your email.
- We may receive Personal Information from third party business partners such as the contact details of prospects and sales leads.

D. Use of Collected Personal Information

We may use the Personal Information we collect or receive for the following purposes:

- To carry out the purpose for which it was originally collected or received.
- To provide, operate, maintain and improve our products and services.
- To respond to your inquires and provide support.
- To process and complete transactions, and send you related information.
- To market and sell our products and services. If we do so, we will provide you with an easy was to opt-out of receiving such communications in the future.
- To monitor and analyze trends, usage, and activity in connection with our products and services, and for marketing or advertising purposes.
- To customize your experience on the Site and display content that we think you might be interested in according to your preferences.

E. Cookies

Coating Tech may collect information about you and your use of the Site whenever you visit the Site. For instance, we may collect various forms of information such as entry and exit points for the Site (*i.e.*, referring URLs or domain names), site traffic statistics, operating system and browser type (collectively “Traffic Data”). Traffic Data is anonymous information that does not personally identify you but is helpful for marketing purposes or for improving your experience on the Site. In addition, when you request pages on the Site, our servers automatically log your IP address. An IP address is a number that is automatically assigned to your computer or mobile device whenever you are surfing the Web. Like most website and applications, Coating Tech and our third party partners use cookies and similar technologies to make our website and applications work, and to learn more about our users and their likely interests as well as information relating to their visits and interactions with a website or application. A cookie is a small text file placed on your computer’s hard drive by a web server. Coating Tech may place one or more cookies or other similar technologies on your computer. Depending on the cookie, the cookie may expire at the end of your browser session or may stay (or “persist”) on your computer until the expiration date specified in the cookie. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies can only be accessed or read by the Internet domain (generally a web site) that placed them. Coating Tech uses cookies and similar technologies to customize your interaction with our Site, to assist you with your session on our Site, and to help us maintain and improve our Site. Some Coating Tech pages use cookies which permit select third party partners to serve you Coating Tech-related content, including Coating Tech advertisements, on their Site or elsewhere on the Internet based in part on your use of our Site. If you accept a cookie, you can delete it at any time (e.g., as soon as you leave our Property) through your web browser. If you do not wish to receive cookies or wish to manage when you accept cookies in general, you can set your browser to reject cookies or to alert you when a cookie is placed on your computer. If you choose to decline cookies, you may not be able to use certain features or functionality of our Site that depend on your web browser accepting cookies. You can also use opt-out tools provided by third party partners, or by the Digital Advertising Alliance (<http://www.aboutads.info/choices>), the EU Internet advertising industry (<http://www.youronlinechoices.eu>), or similar entities. Where required, Coating Tech obtains consent prior to using cookies.

F. Employee Information

Coating Tech or its affiliates may collect Employee Information from prospective and present employees only for legitimate business purposes, including the administration of health insurance and other benefits. Employee information on health, performance evaluations, and disciplinary actions and other sensitive employee matters, whether it is stored manually or electronically, is accessible by other Coating Tech employees only if necessary with respect to legitimate human resource functions or issues; however, an employee’s picture and any

information the employee chooses to provide may be placed on the Coating Tech intranet. Likewise, from time to time, an employee's picture along with Personal Information may be published in the Coating Tech directories, internal website and used in presentations.

For legitimate human resources purposes, employees may choose to voluntarily disclose Personal Information about family members. If our employees choose to do this, their family member's Personal Information shall be treated, for the purposes of this Policy, the same as an employee's Personal Information. Unless otherwise noted or excluded by context, "Employee information" is included within the definition of "Personal Information" for the purposes of this Policy. Employee information is never sold, leased, or rented to any third party. Employee information will never be disclosed to third parties except as follows:

- a. to those retained by Coating Tech or its affiliates for processing only for the purposes set forth above;
- b. where required pursuant to an applicable law, governmental or judicial order, law or regulation, or to protect the rights or property of Coating Tech or its affiliates;
- c. where authorized electronically or in writing by the employee; and
- d. where the employee voluntarily provides Personal Information and the context makes it clear that Employee Information will be provided to a third party/subprocessor (ex. payroll, benefits, travel, reimbursement, and other systems used in the employment context).

Where personal data is transferred from the EU or Switzerland to the US in the context of the employment relationship, we will cooperate in investigations by and comply with the advice of the EU Data Protection Authorities (DPAs) and Swiss Federal Data Protection and Information Commission (FDPIC).

G. Analytics

The Site uses analytical data provided by Google Analytics and other analytics services. You can find out more about the types of analytical data and how that data is processed by visiting <https://www.google.com/policies/privacy/partners/>

H. Do Not Track Signals

The Site does not respond to Do Not Track signals.

I. Sharing of Personal Information & Accountability for Onward Transfer

From time to time, Coating Tech may engage third party business partner, vendors, or subprocessors to perform functions such as sending postal mail and e-mail, removing repetitive information from customer lists, analyzing data, providing marketing assistance, data storage, providing search results and links (including paid listings and links), and providing customer service. Such companies shall only use your Personal Information for those purposes required to perform their functions. Additionally, Coating Tech may share your Personal Information, without your prior consent, in the event of any investment, reorganization, merger, sale, joint venture, or transfer of assets. When Personal Information is shared, Coating Tech will ascertain that any third parties are obligated to provide at least the same level of privacy protection as is required under this policy. Should Coating Tech transfer Personal Information outside of a local jurisdiction, it shall only be done with adequate protections in place and in compliance with applicable laws and standards.

Coating Tech may share your Personal Information if we have a good faith belief that such action is necessary to: (i) protect and defend the rights or property of Coating Tech; (ii) enforce this Privacy Policy or the Site's terms and conditions of access and use agreement; (iii) participate in dispute resolution pursuant to this Privacy Policy; (iv) protect the interests of other users of the Site or any other person; or (v) operate or conduct maintenance and repair of the Site or equipment.

Coating Tech may be required to disclose an individual's personal information in response to a lawful request by public authorities, including to meet national security or law enforcement requirements.

Coating Tech shall remain liable under the Principle of Accountability for Onward Transfer if its subprocessors process your Personal Information in a manner inconsistent with the Privacy Shield Principles, unless the Coating Tech proves that it is not responsible for the event giving rise to the damage.

J. Protection of Personal Information

Taking into account the risks involved in the processing and nature of Personal Information and to prevent loss, misuse, unauthorized access, disclosure, alteration and destruction and while maintaining data accuracy, Coating Tech has put in place appropriate physical, electronic, and managerial policies and procedures to safeguard the Personal Information Coating Tech collects. Although we do our best to protect the Personal Information, we cannot and do not guarantee the security of your Personal Information.

K. Retention

Coating Tech will retain your Personal Information for only as long as it serves the purposes for which it was collected and will be retained in a form identifying or making identifiable only for as long as it serves a purpose of processing.

L. Other Limits to Your Privacy

The Site may contain links to other non-Coating Tech website. Coating Tech is not responsible for the privacy practices or the content of such website. Coating Tech has no control over the use of such website and you should exercise caution when deciding to disclose any Personal Information on these website.

M. Choice

We seek to provide you with choices regarding the Personal Information you provide to us. You can always opt not to disclose information. However, if you elect to do so, this may impact functionality or prevent the use of Coating Tech’s products or services. You have the right, at any time, to opt-out of receiving marketing messages from Coating Tech by sending an email to _____, by unsubscribing through the unsubscribe or opt-out link in an email. We will try to comply with your request(s) as soon as reasonably practicable. Please note that if you opt-out of receiving marketing-related emails from us, we may still send you important operational or administrative messages.

N. Access and Correction

You have the right to access the personal information we hold about you. You may access your information that Coating Tech holds by contacting us via Section Q below. You have the right to correct, amend, or delete that information where it is inaccurate, or has been processed in violation of the Privacy Shield Principles, except where the burden or expense of providing access would be disproportionate to the risks to the individual’s privacy in the case in question, or where the rights of persons other than the individual would be violated.

To protect your privacy and security, Coating Tech may also take reasonable steps to verify your identity before making corrections to or deleting your account

O. Non-EU/Non-Switzerland Citizens

Non-EU/Non-Switzerland Citizens with inquiries or complaints regarding this Privacy Policy should contact Coating Tech via Section Q below.

Agreement to Arbitrate. In the event of a dispute between You and Coating Tech arising under or relating to the Privacy Policy, either party may choose to resolve the dispute by binding arbitration, as described below, instead of in court (the “*Arbitration Agreement*”). Under certain conditions, more fully described on the [Privacy Shield website](#), you may invoke binding arbitration when other dispute resolution procedures have been exhausted. Any claim (except for a claim challenging the validity or enforceability of this arbitration agreement, including the Class Action Waiver) may be resolved by binding arbitration if either side requests it. THIS MEANS IF EITHER YOU OR COATING TECH CHOOSE ARBITRATION, NEITHER PARTY SHALL HAVE THE RIGHT TO LITIGATE SUCH CLAIM IN COURT OR TO HAVE A JURY TRIAL. ALSO DISCOVERY AND APPEAL RIGHTS ARE LIMITED IN ARBITRATION.

Class Action Waiver. ARBITRATION MUST BE ON AN INDIVIDUAL BASIS. THIS MEANS NEITHER YOU NOR COATING TECH MAY JOIN OR CONSOLIDATE CLAIMS IN ARBITRATION BY OR AGAINST OTHER INTERESTED PARTIES, OR LITIGATE IN COURT OR ARBITRATE ANY CLAIMS AS A REPRESENTATIVE OR MEMBER OF A CLASS OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.

Governing Law and Rules for Arbitration. The Arbitration Agreement is governed by the Federal Arbitration Act (FAA). Arbitration must proceed only with the American Arbitration Association (AAA) or Judicial Arbitration and Mediation Services (JAMS). The rules for the arbitration will be the procedures of the chosen arbitration organization. If the organization's procedures change after the claim is filed, the procedures in effect when the claim was filed will apply. Arbitration hearings will take place in Minnesota. A single arbitrator will be appointed. The arbitrator must:

- Follow all applicable substantive law, except when contradicted by the FAA;
- Follow applicable statutes of limitations;
- Honor valid claims of privilege; and
- Issue a written decision including the reasons for the award.

The arbitrator's decision will be final and binding except for any review allowed by the FAA. However, if more than \$100,000 was genuinely in dispute, then either you or Coating Tech may choose to appeal to a new panel of three arbitrators. The appellate panel is completely free to accept or reject the entire original award or any part of it. The appeal must be filed with the arbitration organization not later than 30 days after the original award issues. The appealing party pays all appellate costs unless the appellate panel determines otherwise as part of its award. Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction.

P. Regulatory Oversight

For this Privacy Policy and its content, Coating Tech is subject to the investigatory and enforcement powers of the Federal Trade Commission (FTC). If Coating Tech becomes subject to an FTC or court order based on non-compliance with this policy or Privacy Shield, Coating Tech shall make public any relevant Privacy Shield related sections of any compliance or assessment report submitted to the FTC, to the extent consistent with confidentiality requirements.
